Kai Kupferschmidt, Scientific Journalist, Berlin, Germany

**18:35–19:00** Panel discussion, Q&A and close  
All

**19:00–19:45** Welcome Reception

## Monday 9 November 2026

**08:30–09:30** Industry Symposium

**09:30–10:00** Coffee, Posters and Exhibition

**10:00–11:30** **PrEP Today and Tomorrow: Challenges, Advances and Equitable Access**

**Co-chairs** Justyna Kowalska, Hospital for Infectious Diseases in Warsaw, Warsaw, Poland  
Davide Moschese, Università Cattolica del Sacro Cuore, and Luigi Sacco University Hospital, Milan, Italy

10:00–10:04 **Welcome and introduction**  
Justyna Kowalska

10:04–10:19 **Current PrEP and complex management**  
Jade Ghosn, Infectious Diseases and Sexual Health Clinic, Bichat University Hospital and Université Paris Cité School of Medicine, Paris, France

10:19–10:34 **What's the future of PrEP, talking about once-monthly oral and longer duration injectables and the pipeline, including access**  
Lobna Gayeeb, Medicines Patent Pool, Geneva, Switzerland

10:34–10:49 **PrEP use in key groups, e.g. transgender, women, migrant population**  
Yevheniia Rudhenka, 100% Life, Ukraine

10:49–11:05 **Oral papers**

11:05–11:30 **Q&A and close**  
Above faculty including Oral Presenters

**11:30–12:15** **Keynote Lecture: The Evolving HIV Cure Landscape**

*Lock Lecture gifted by the Royal College of Physicians and Surgeons of Glasgow*

**Chair:** Daniel Kuritzkes, Brigham and Women's Hospital, and Harvard Medical School, Boston, MA, USA

11:30–11:45 **Welcome and introduction**  
Daniel Kuritzkes

11:35–12:05 **What's happening in the cure space?**  
Ole Schmeltz Sogaard, Department of Infectious Diseases, Aarhus University, Aarhus, Denmark

12:05–12:15 **Q&A and close**

**12:15–13:45** Lunch, Posters and Exhibition

**12:30–13:30** Industry Symposium

**13:45–15:00** **Clinical Cases Session**

*In collaboration with the [www.hiv-druginteractions.org](http://www.hiv-druginteractions.org) team*

**Co-chairs:** Saye Khoo, University of Liverpool, Liverpool, UK  
Catia Marzolini, University Hospital of Basel, and University Hospital of Lausanne, Switzerland, and University of Liverpool, Liverpool, UK  
Fiona Marra, University of Liverpool, Liverpool, UK

**Discussants:** Juan Ambrosioni, HIV Unit, Infectious Disease Service, Hospital Clinic-IDIBAPS, Barcelona, Spain  
Susanne Dam Nielsen, Infectious Diseases, Copenhagen University Hospital Rigshospitalet, Copenhagen, Denmark  
Karine Lacombe, Hôpital Saint Antoine, Paris, France

## Tuesday 10 November 2026

**08:30–09:45** Industry Symposium

**09:45–10:15** Coffee, Posters and Exhibition

**10:15–11:30** Novel Strategies and Treatment

**Co-chairs:** **Claudia P Cortes**, Infectious Diseases, Universidad de Chile, Santiago, Chile  
**Chloe Orkin**, Queen Mary University of London, and Barts Health NHS Trust, London, UK

10:15–10:18 **Welcome and introduction**  
**Chloe Orkin**

10:18–10:38 **What do the new therapies offer?**  
**Roy Gulick**, Weill Cornell Medicine, New York City, NY, USA

15:38–10:48 **New therapies, hard choices: Public health priorities and research gaps**  
**Alexandra Calmy**, University of Geneva, Geneva, Switzerland

10:48–11:24 **Oral papers**

11:24–11:30 **Close**  
**Claudia Cortes**

**11:30–12:30** **Prioritising Young Adults in Efforts to End HIV Transmissions and Improve Quality of Life for All**  
*In collaboration with the British HIV Association (BHIVA)*

**Co-chairs:** **Caroline Sabin**, Institute for Global Health, University College London, London, UK  
**Tristan Barber**, Ian Charleson Day Centre, Royal Free London NHS Foundation Trust, London, UK

11:30–11:32 **Welcome and introduction**  
**Caroline Sabin**

11:32–11:42 **The UK's HIV Action Plan, BHIVA's contribution to this, and next steps for the other devolved nations**  
**Why are young people a crucial group in the country's response to HIV?**  
**Tristan Barber**

11:42–11:57 **How does the HIV Action Plan support young adults?**  
**Verity Sullivan**, NHS University Hospitals of Liverpool Group, Liverpool, UK

11:57–12:12 **Addressing issues of specific relevance to young women with vertically acquired HIV, sharing experiences of ways in which clinics have evolved to support this group of women**  
**Mimie Chirwa**, Luton and Dunstable University Hospital, Luton, UK

12:12–12:27 **Panel discussion**  
**All above faculty**

12:27–12:30 **Close**

**12:30–14:00** Lunch, Posters and Exhibition

**12:45–13:45** Industry Symposium

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
